

USE ON

STONE

METAL

PLASTIC

GLASS

GREASE BOARDS

SMOOTH SURFACES

GRAFFITI GONE! C

**Removes Spray Paint, Ink
and Crayon from Smooth
Painted/Unpainted Surfaces.**

EASY TO USE

WATER BASED

EFFECTIVE

BIODEGRADABLE

SAFE TO USE

NO ACIDS/CAUSTICS

NO HARSH SOLVENTS

Shake well. Dampen porous surfaces to prevent colors from spreading. Apply with rag, brush or low pressure sprayer. Lay down a smooth uniform coating. Agitate coating after a few minutes with soft bristle brush or broom. Wipe a small area to test progress. When it is ready, wipe or rinse off with water. Do not allow to dry on surface - reapply more product. Use hose with 6" pressure nozzle or high pressure equipment on textured surfaces. Be

surfaces. Be careful of surface damage caused by water pressure. Reapply if needed. For graffiti shadows on textured surfaces, try *GRAFFITI-GONE! B*.

Product requires 1 - 10 minutes to work. Time increases with cool temperature, rough texture and thickness of graffiti. Expect up to 400 sq. ft. / gallon. Rougher surfaces will use more product.

CAUTION: Irritant. Contains surfactants and safety solvents. Harmful if swallowed. Protect skin, eyes and mouth. Rinse off any body contact immediately. Keep away from children.
