# ***GRAFFITI-GONE! M***

**Removes Permanent Markers  
and Spray Paint from  
Unpainted Rough Surfaces.**

**EASY TO USE**  
**WATER-BASED**  
**EFFECTIVE**  
**BIODEGRADABLE**  
**SAFE TO USE**  
**NO HARSH SOLVENTS**

Shake well. Apply with brush or low pressure sprayer. Agitate after a few minutes with soft bristle brush or broom. When it is ready, wipe or rinse off with water.

Use hose with 6" nozzle or high pressure equipment on textured surfaces. Start at the bottom and work up. Be careful of surface damage caused by water pressure.

If a marker shadow remains, apply *GRAFFITI-GONE! STEP 2*.

Product requires 1 - 2 minutes for ink and 5 - 10 minutes for spray paint. Time increases with cool temperature, rough texture and thickness of graffiti. Expect up to 400 sq. ft. / gallon. Rougher surfaces will use more product.

**CAUTION:** Contains surfactants and safety solvents. Harmful if swallowed. Protect skin, eyes and mouth. Provide adequate ventilation. Keep out of the reach of children.

# ***GRAFFITI-GONE!***

## ***Step 2***

**Removes Marker Shadows  
left after use of  
*GRAFFITI-GONE! M***

**EASY TO USE**  
**WATER-BASED**  
**EFFECTIVE**  
**BIODEGRADABLE**  
**SAFE TO USE**  
**NO HARSH SOLVENTS**

Apply with brush or low pressure sprayer. Lay down a smooth uniform coating. Agitate coating after a few minutes with soft bristle brush or broom. When it is ready, wipe or rinse off with water. Use hose with 6" nozzle or high pressure equipment on textured surfaces. Be careful of surface

damage caused by water pressure. Reapply if needed.

Product requires 1 - 15 minutes to work. Time increases with cool temperature, rough texture and thickness of graffiti. Expect up to 400 sq. ft. / gallon. Rougher surfaces will use more product.

**CAUTION:** Contains skin irritants. Harmful if swallowed. Protect skin, eyes and mouth. Rinse off any body contact immediately. Keep out of the reach of children.
